

# Firefighter Hat Craft

---

## What You'll Need:

- Paper plate
- Red paint
- Paint brush
- Black marker
- Yellow construction paper
- Glue
- Scissors

## How to Make Your Firefighter Hat:

1. Paint the paper plate red.
2. Cut the paper plate as shown.
3. Trim the edges so the cut part resembles a firefighter hat as shown.
4. Cut a small shield from the yellow construction paper.
5. Write a number on the shield with the black marker.
6. Glue the shield on the hat as shown.
