## **Superintendent Search: Share Your Input Online Starting Today**

The Rockwall ISD Board of Trustees is seeking input from across the district on the qualities and characteristics that our community would like to see in the next superintendent. Currently the superintendent search firm hired by the Board of Trustees, Horn, Smith, Wood and Preston Educational Consultants, is conducting staff and community input meetings. Your participation is appreciated online as well. Please take the survey below to share your input with the Board of Trustees. The survey period is 8 a.m. on Monday, February 29 through 4 p.m. on Friday, March 4.

Your responses to this survey are anonymous and will be compiled into a report that Horn, Smith, Wood and Preston Educational Consultants will present to the Rockwall ISD Board of Trustees in the form of a candidate profile. The candidate profile sets a clear understanding of the type of leader and expectations our community has for the next superintendent.
